Your Shoes

Congratulations, seniors! You've finally hit the top! As your class files down the aisle to receive your diplomas, you will be leaving behind you a truly great record of success—both as individuals and as a class. It will be hard to fill your shoes.

As H-10's you showed your spirit and capabilities by putting on the first successful Soph Hop in history of the school. As high seniors, you had more money in your treasury than any preceding class. This enabled you to have a free Senior Dinner, a free Senior Ball, and a free Ditch Day.

Berkeley High is a "small world" in itself. Here you have all made lasting friendships with people of all races and creeds. There are many schools throughout the country where there is segregation, and students cannot benefit from the experience gained through association with all kinds and types of personalities. You have been outstanding citizens in this "world" and your Board of Control, comprised mainly of high seniors, has led you through one of the most active and prosperous terms BHS has ever seen.

It is my sincere hope that you will let the excellent record that you have set here as a class serve as a pattern by which you will design the rest of your lives.

I am having "your shoes" bronzed and placed in the trophy case as a challenge to all future H-12 Classes.

Good luck.

J. ELWIN LETENDRE
Principal

PRINCIPAL'S MESSAGE

FOREWORD

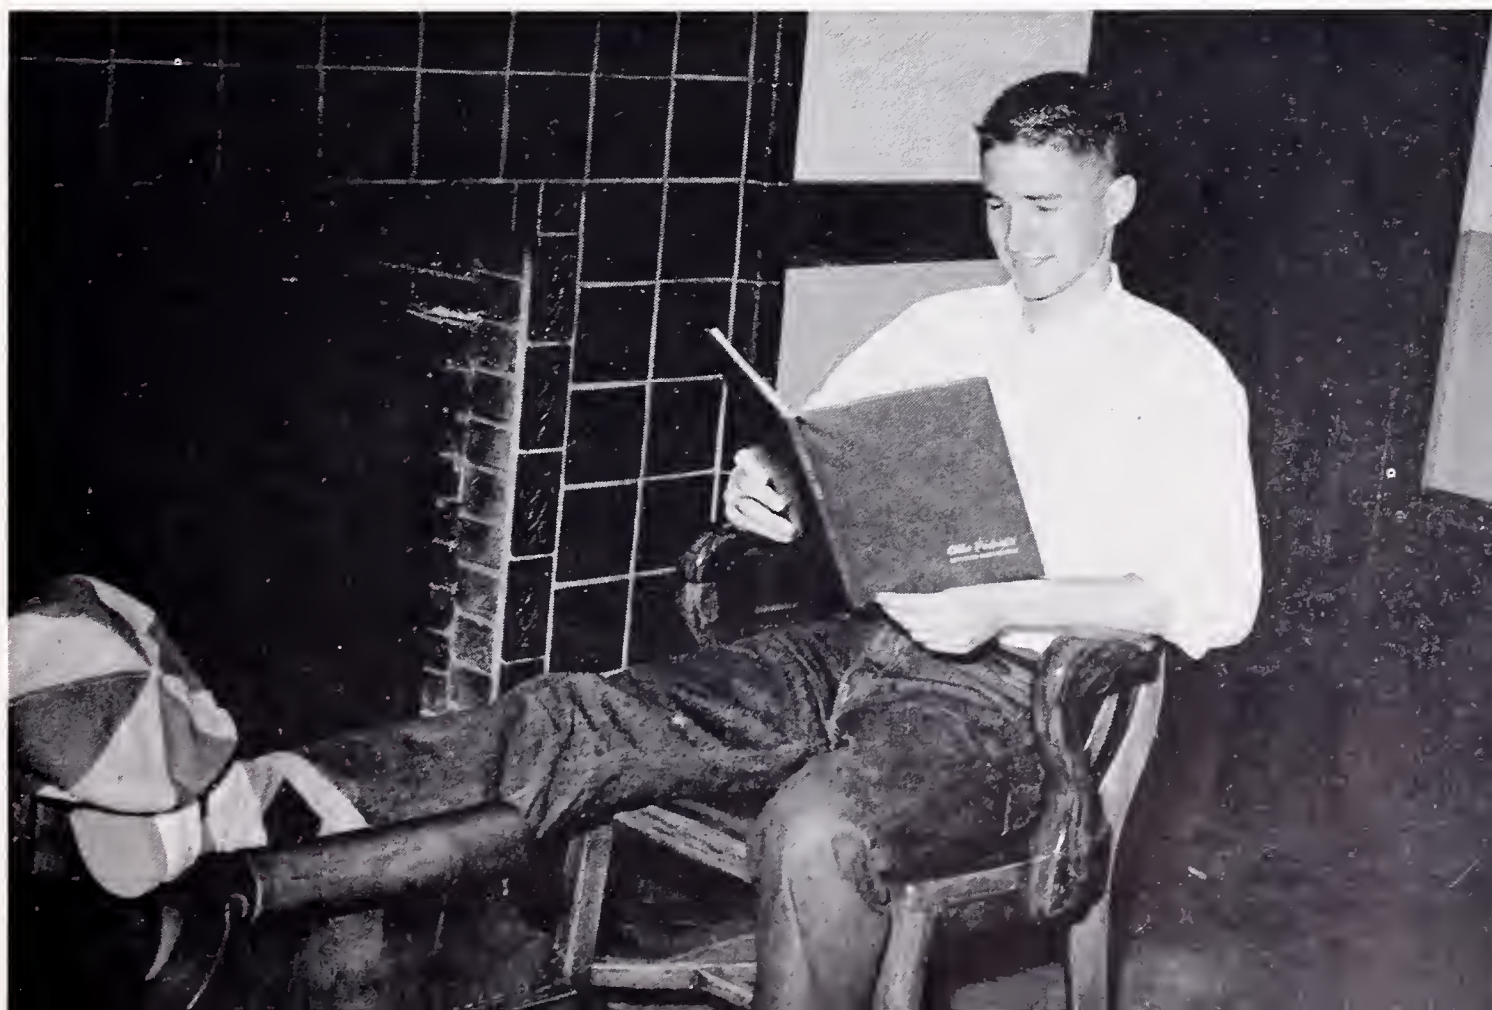

As the spring term of 1954 nears an end and the high senior class graduates and goes out into the world to seek its fortune, we look back on Berkeley High with mixed emotions. Some of us are glad to leave, and others would rather leave the responsibility of earning a living up to our parents for a while, but I'm sure that each and every graduate will look back on the happy time at Berkeley High and realize how much fun he really had.

Your Olla Podrida helps to bring back these memories and the book you hold in your hands is no exception. We of the staff have worked hard these past few months in order to bring you the biggest, and, we hope, the best Pod ever. It will help you remember your classmates by means of pictures, and your Pod will undoubtedly be one of your most treasured possessions in the years to come.

On behalf of the staff and all the students, I would like to express my thanks to Mrs. Wales, without whose work the Olla Podrida would just be an idle dream.

I have really appreciated the privilege of being your Pod editor this term. I thank you for your support.

MIKE HERB
Editor, Olla Podrida

BOARD OF CONTROL

It's graduation time again, and another class of seniors leaves Berkeley High to step into the future on their way up the road to success. The experience this class has obtained during its three years is the best, for Berkeley High offers nothing but the best.

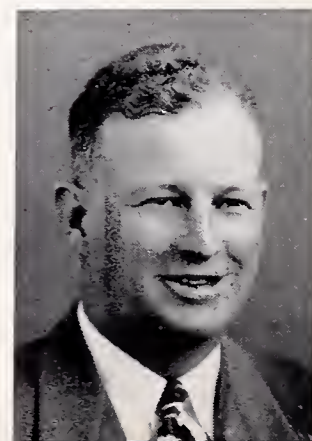

The spring term of '54 was a busy and very successful term. It was made possible by the full cooperation of the BOC, the faculty, and the entire student body. The classes were very active as they had concessions and other fund-raising ideas besides the Soph Hop and Junior Prom. Other BOC organizations had a successful term as each gave a farewell dinner, and the Honor Society topped it off with two outings. New clubs were formed, of which I feel the Pep Club is the most important. Support this club. It will soon be the main rooting section at athletic events. Spring sports had more support with the swim meets showing the biggest increase in attendance. More than 1600 student body cards were sold, which is excellent for a spring term. Pod sales went over as you are now reading the biggest and best Pod ever issued at Berkeley High. Finally the Senior Play ran three nights! How active can a school be?

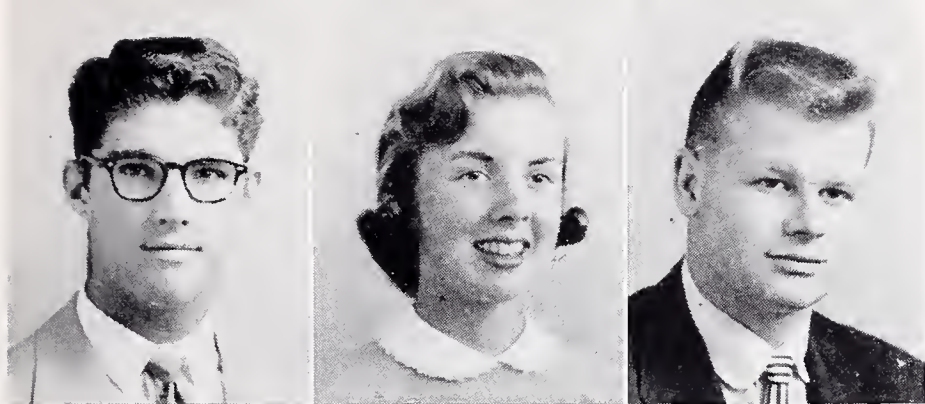

I thank all the BOC members who have helped plan this successful term, the faculty who gave me advice and inspiration, and the entire student body for your participation and cooperation in the many spring activities.

This, indeed, has been an honor I know I will treasure the rest of my life. Thank you all.

SENIOR MESSAGE

As we graduate, we leave behind us more than a high school with teachers, books and homework. We leave behind a part of our lives we never will forget. These past three years have changed each one of us. We now must face the challenge of life. With us we carry the feeling that we have seen more than the inside of a textbook. We have known people of all types. Behind us are the wonderful friendships, the discouragements, and the invincible moments we felt in high school; before us the world in all its magnitude.

This last term has been the climax toward which we have worked for three years. The challenge we have met will remain a challenge to those classes that follow. Truly, success seems to have been the byword for this class. Yet our accomplishment is not something done entirely in our senior year. It is the record of a whole class working together for three years. The record is not one of a class split into small groups but of a class unified and very spirited.

Our sincere thanks is given to every person who helped make our days here successful and worthwhile.

The thrill of being your senior class president is something I'll never forget. Thanks, good luck, and good-bye.

LOW 12 PRESIDENT'S MESSAGE

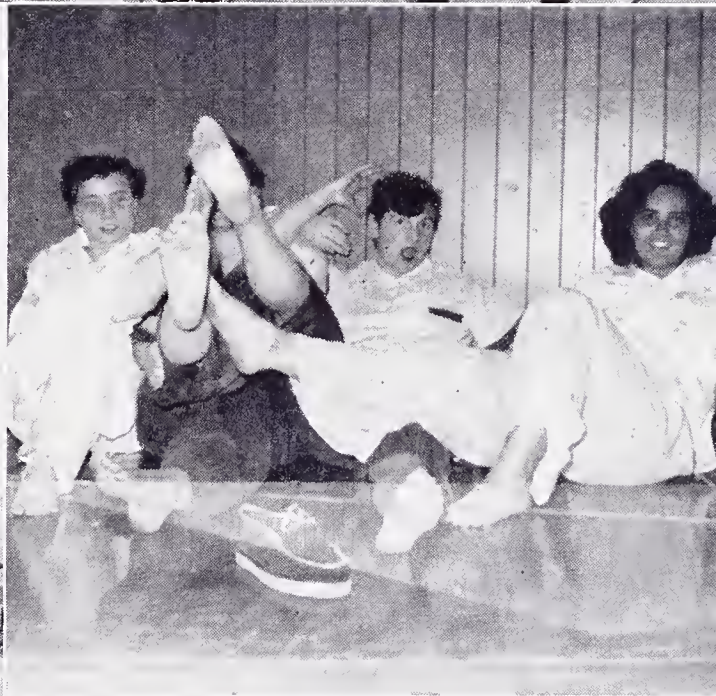

It certainly has been a wonderful experience for me to have been able to serve as president of the low twelve class. The cooperation that was shown by the home room representatives and officers made this term a successful one. Special thanks go to Mrs. Chiswell and Dr. Petteys, our class sponsors, for their helpfulness.

Our class has one term left at Berkeley High, our high senior term. I know we will all get behind next year's council and officers and make our final activities at BHS successful ones.

Thank you, and good luck to all of you.

HIGH 11 PRESIDENT'S MESSAGE

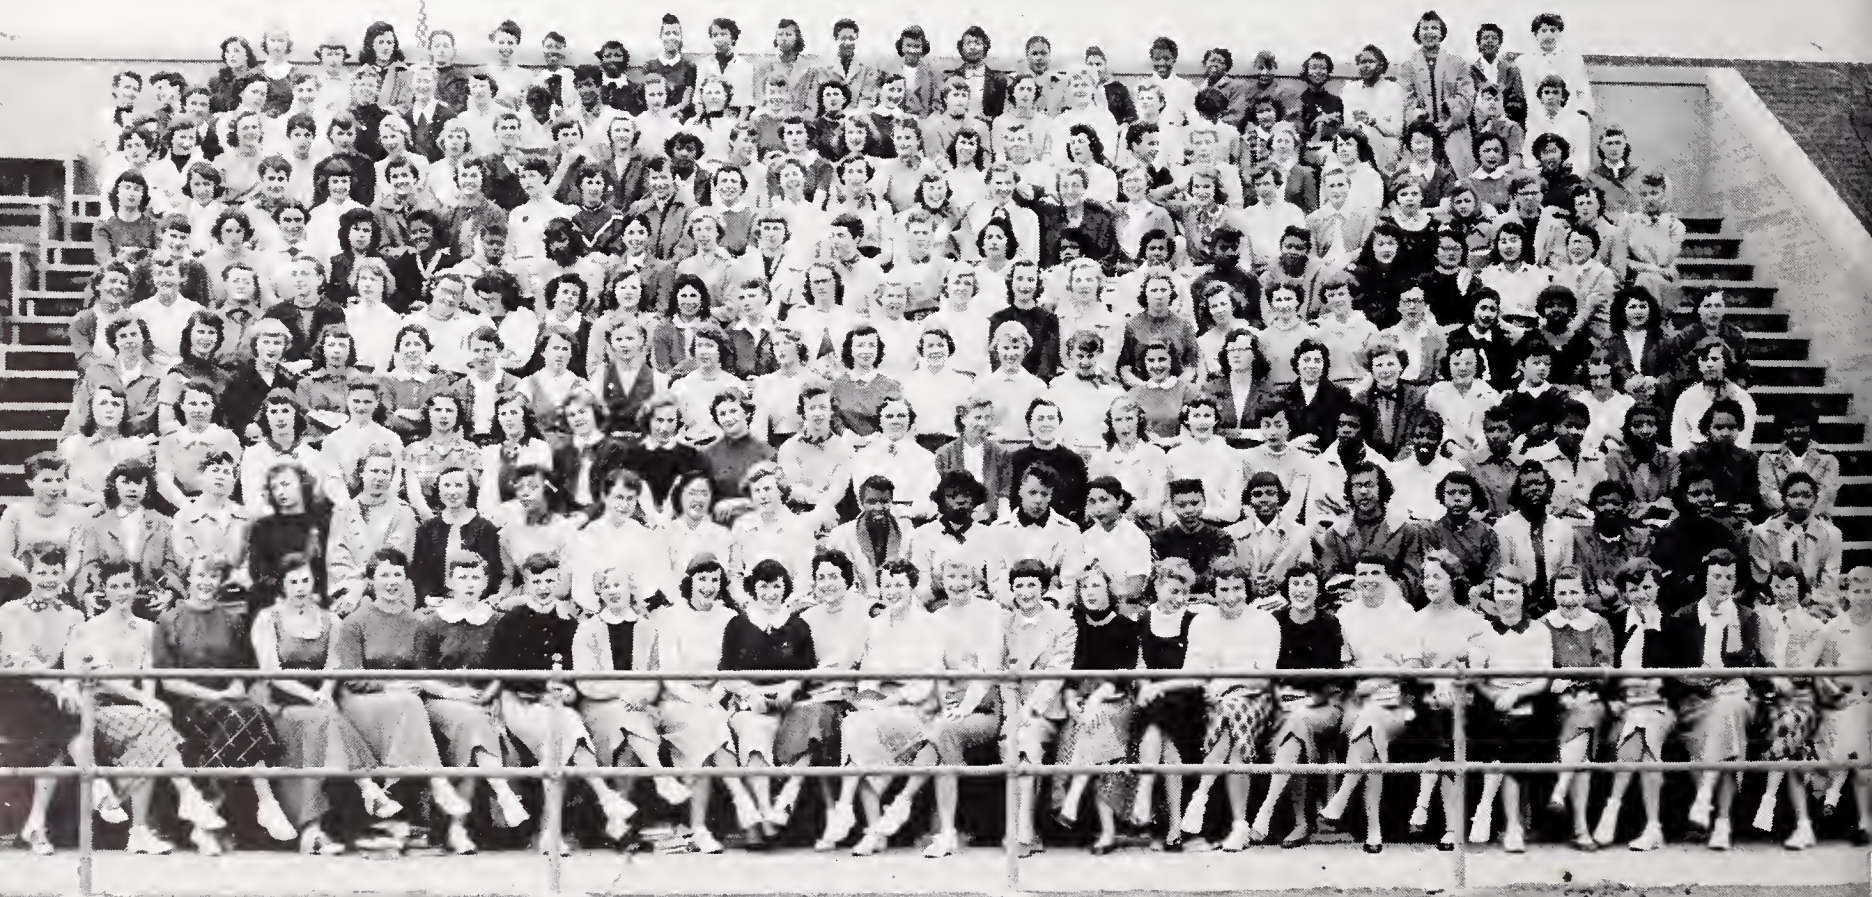

Being your president during this, the spring term of '54, has been a wonderful opportunity for me. I have enjoyed working with you and sincerely appreciate your cooperation.

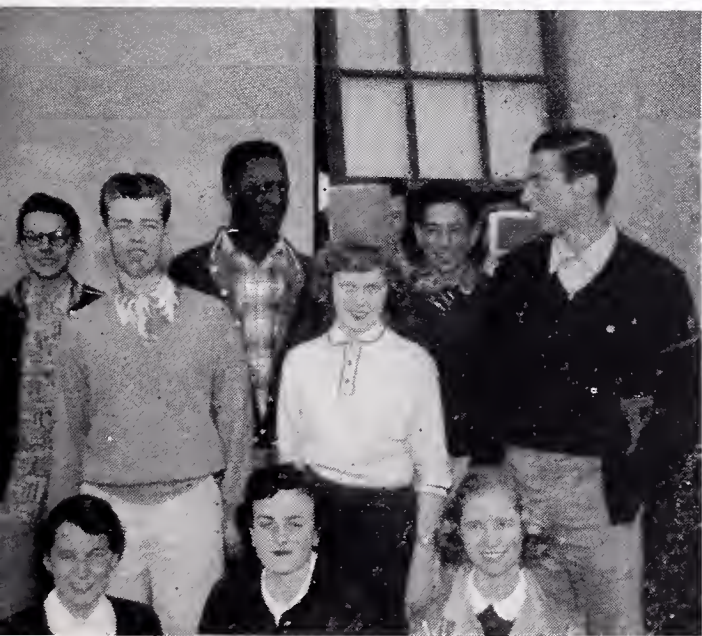

With our Junior Prom and other activities this has been a very successful term. I cannot speak of this success, however, without thanking our class sponsors and our class council.

Your continued enthusiasm and support of your new class officers and sponsors will insure our place as one of the best classes in the history of Berkeley High School.

Thank you, and good luck.

LOW 11 PRESIDENT'S MESSAGE

This past term has been a great one for the Low Eleven Class. Our popcorn sales and Junior Prom were really terrific.

The success of the Low Elevens has been the result of class effort. I want to thank everyone for giving me the privilege of being your class president. I enjoyed working on the BOC. I especially want to thank Mr. Lindstedt, our class sponsor, for his untiring help.

I will always remember this term as a happy one. Our class is one of the best at BHS and it will always be tops if everyone continues to support our officers each year as they have this year.

I sincerely wish each one of you all the good luck in the world.

LOW 10 PRESIDENT'S MESSAGE

This first term as L-10's at Berkeley High was an eventful one for our class.

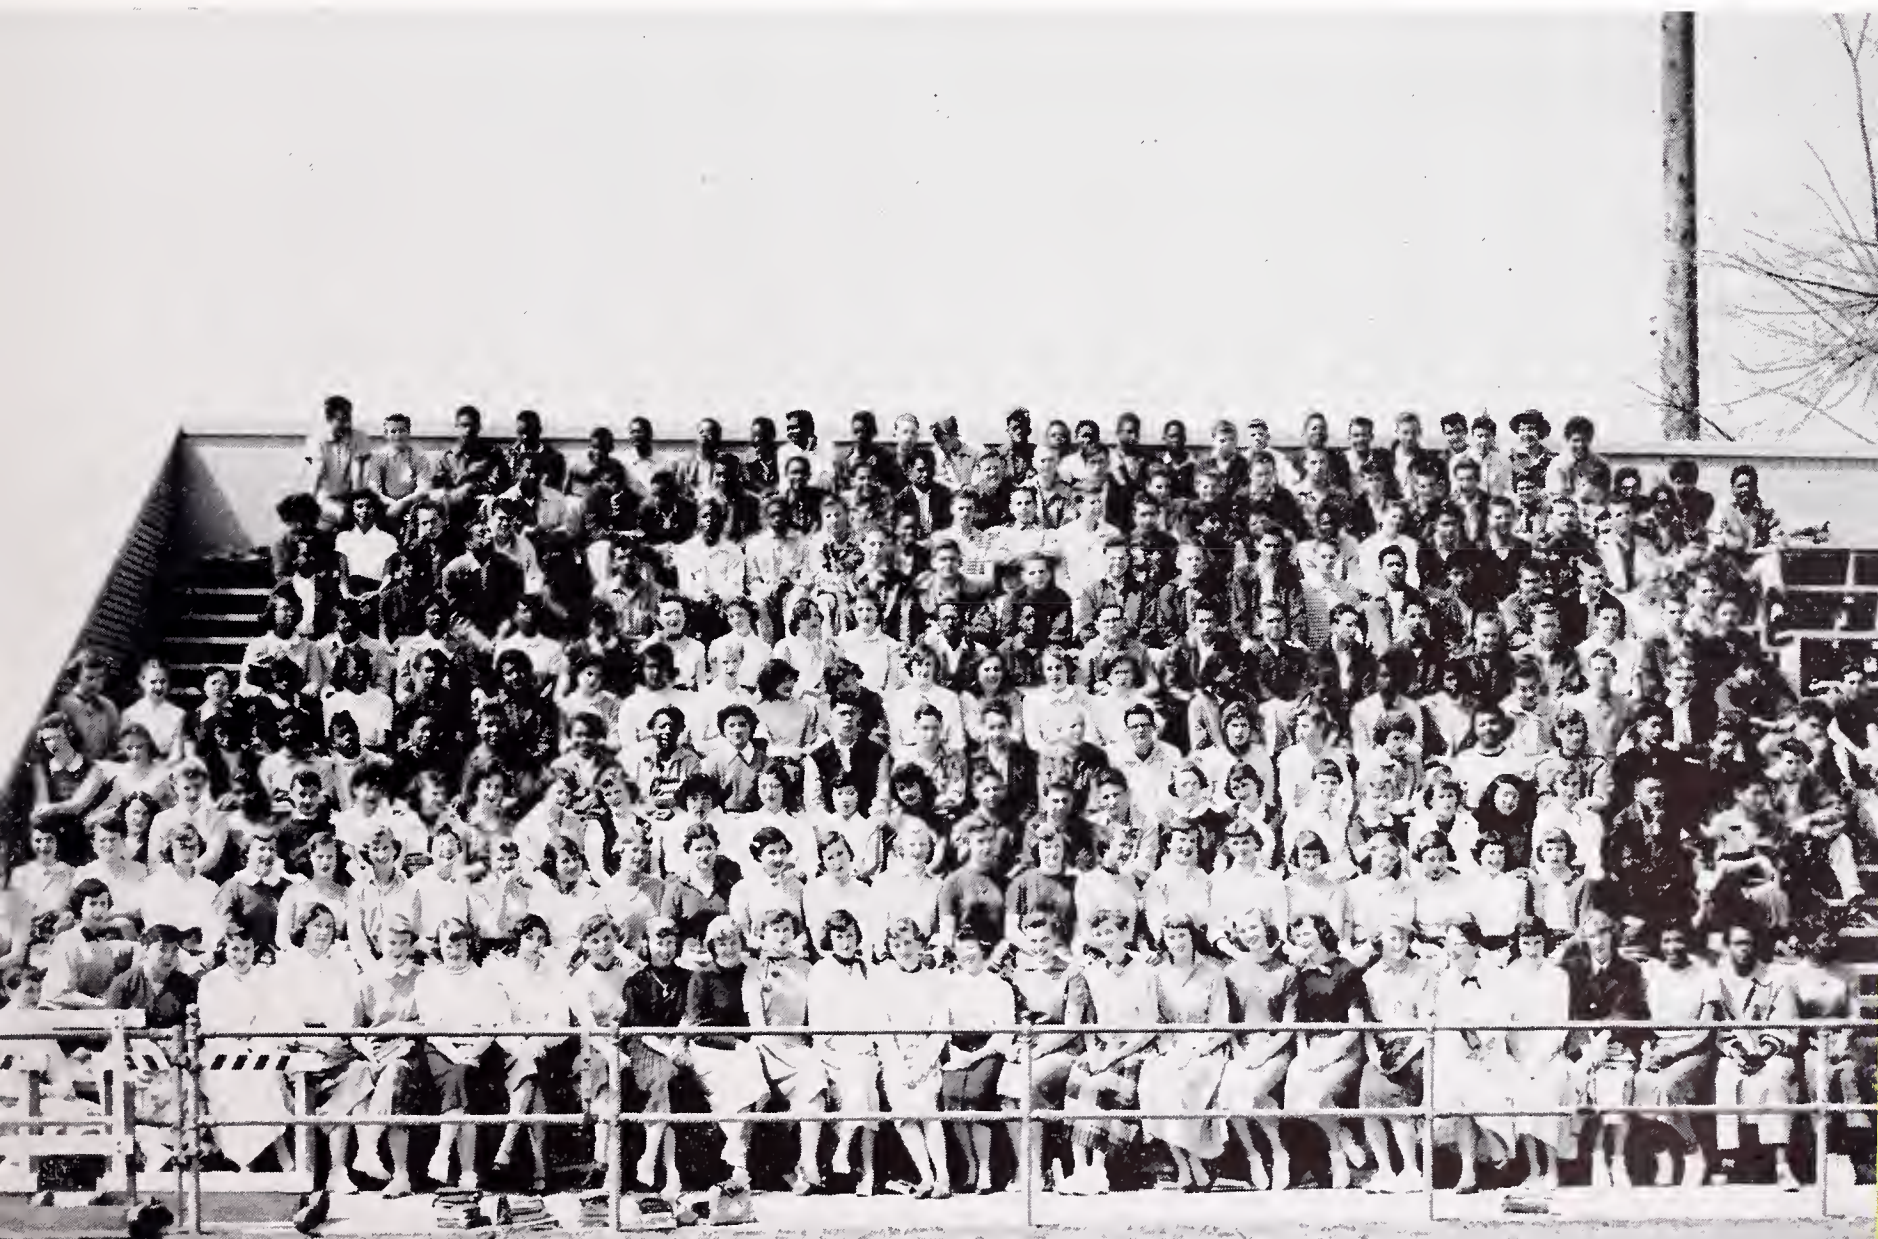

I would like to take this opportunity to thank all those people who were part of these events—the class officers, the home room representatives, and the class sponsor, Mr. Copley.

I know that you will continue to support your class in order to make this one of the best and most successful classes at Berkeley High.

It has been a pleasure to serve as your representative on the BOC this past term, and I will never forget this opportunity you have given me.

Thank you again, and good luck.

HIGH 10 PRESIDENT'S MESSAGE

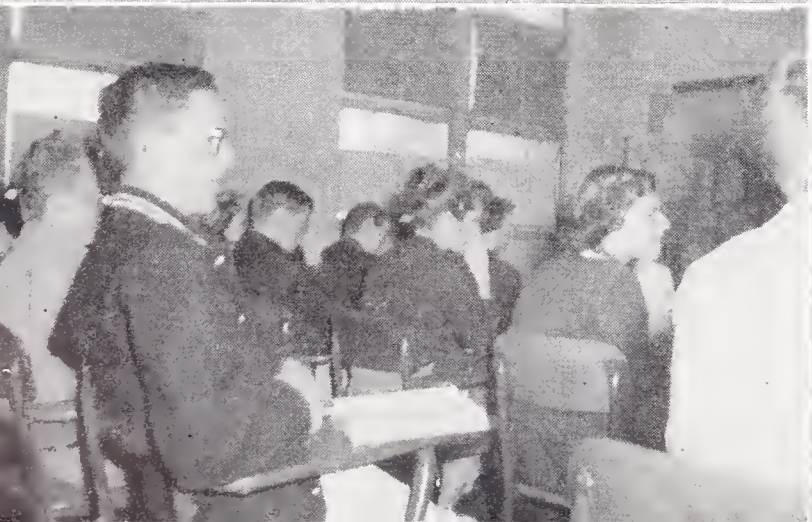

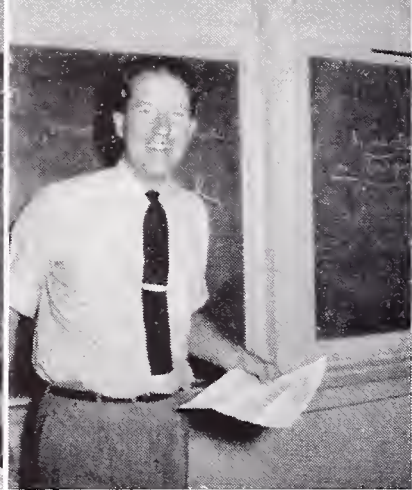

As you glance through the Pod you come upon this page which is devoted to the H-10 Class, the biggest and one of the best classes in BHS. It's easy to see that it is the biggest class and the terrific job you have done this past term to make the Soph Hop a success easily tells you that it is also one of the best classes. I believe that if the spirit shown this term by our class continues, we will contribute a great deal to the good of Berkeley High in the terms to come.

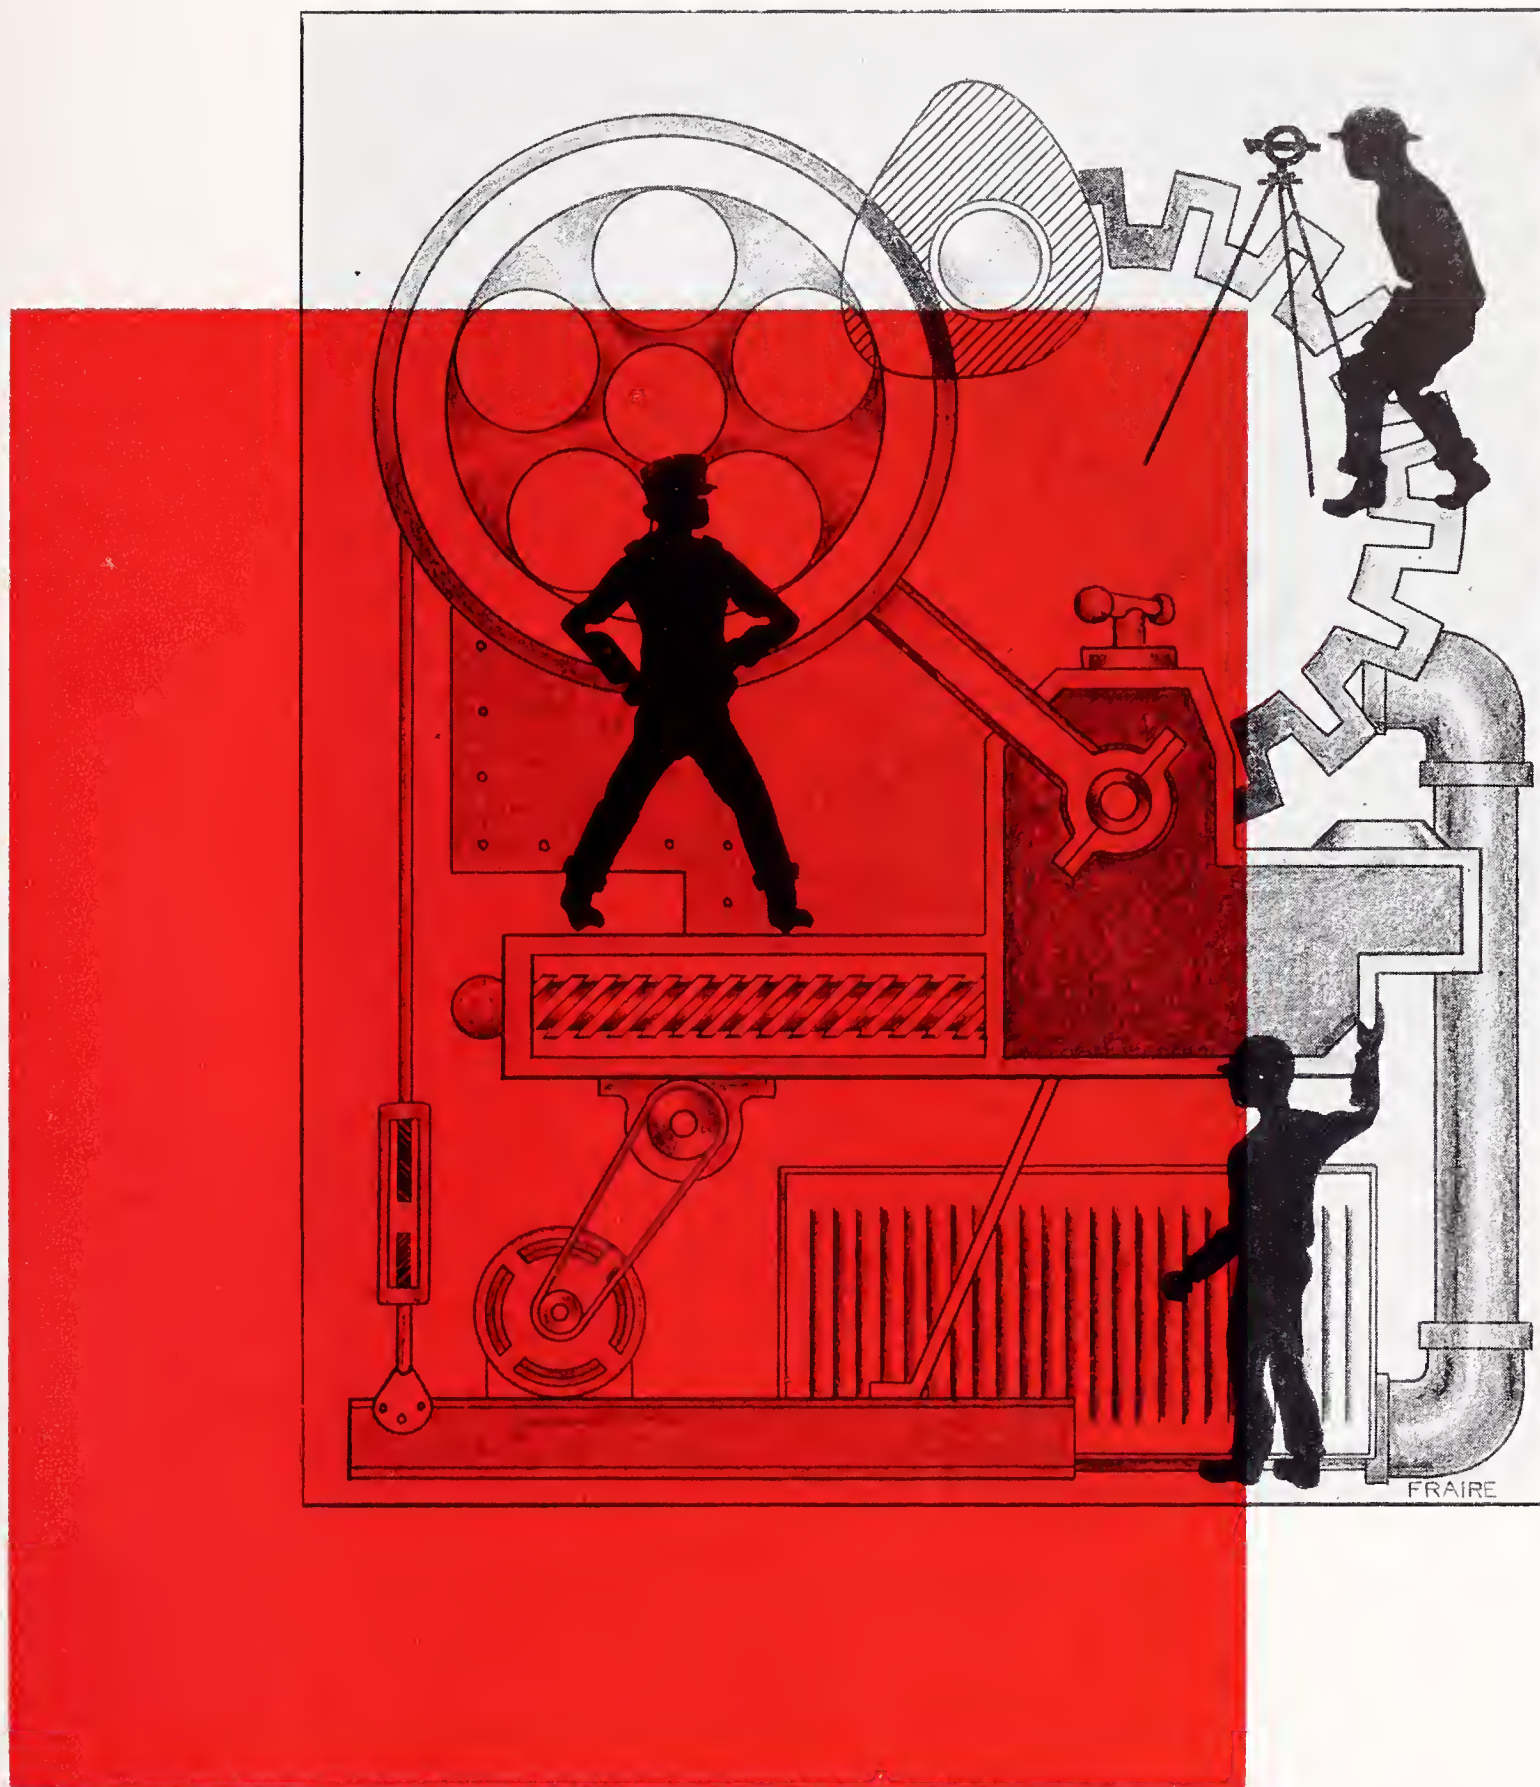

I would like to thank all of you who gave me the opportunity to serve as your president. This is an experience that I will cherish and remember always. Thanks again for your wonderful support and cooperation. Best wishes and luck always.

GIRLS' ASSOCIATION

"Friendship and Service," which is the motto of the Girls' Association, is the thought within all the activities we engaged in this term.

Our semi-annual GA Dance, "Rue de la Paix," was our special feature for the term. We turned the social hall into the famed streets of Paris with the traditional flower stands, sidewalk cafes in which tables with red and white table cloths and candles were set all around the hall carrying out the French theme. The dance was a great success, with just two bids short of a sellout.

The other activities which we had were the Low Ten and New Girls' WELCOME and last, the Senior FAREWELL.

All this wouldn't have been possible if it weren't for the help given to me by my wonderful officers—Julia, Chari, Alice and Pat. My deepest thanks to them as well as Miss Kinell who was always near to extend a helping and guiding hand.

In closing I want to say I shall always remember this wonderful term as your Girls' Association President.

RALLY COMMITTEE

The largest Rally Committee of all time, consisting of forty members, patrolled the halls of our school and kept order in the assemblies and basketball games.

This term was especially successful financially, enabling us to have a fine dinner. The money was earned by selling soft drinks at six dances and one basketball game. Also, we took care of distributing programs at all school functions in the auditorium.

I would like to thank my assistants, Laurence Berry, Jim Gartland, and Orville Yarbrough, for their fine cooperation, and Mr. Nealson for all the help he has given us. I also want to thank every member of the Rally Committee for their cooperation and time which made our tenure of office such a successful one.

SENIOR FRIENDS

This term 26 Senior Friends have done their very best to promote friendship throughout our school and to be of service to both the faculty and their fellow students. They have fulfilled their duties earnestly and their wonderful enthusiasm has been a leading factor in the success of the group. Working together, ushering at school affairs, serving on cafeteria duty, and welcoming new students, has given every girl a feeling of purpose. And as they look back, they realize that they have helped people and that feeling makes them happy.

I am indeed proud and highly honored to have been chosen a Senior Friend to work alongside all these wonderful girls. We've had such good times together, working and playing, times I shall never forget.

So my thanks go first of all to Miss Helen Kinell, our sponsor, who has worked very hard to make our term a pleasing one. And, finally, I thank the girls, who with their willing help and cooperation have made serving as their chairman the great privilege I shall always cherish.

HONOR SOCIETY

With a membership of 262, one of the largest in its history, the Honor Society has had a very active and successful term.

On April 23, the members of the Honor Society sallied forth to San Francisco, where we chartered a sight-seeing boat for a cruise around the bay. Candid pictures, taken on the trip, enliven the following pages of the Pod and preserve for posterity a record of this epic voyage.

In May we held our annual spring picnic at Tilden Park.

However, the Honor Society also engages in activities of a more serious nature. This term members performed such services as reading to the blind, hat checking at the Community Auditorium, and tutoring students who had fallen behind in their work.

Much credit should be given to the other officers—Nancy Bartell, Susan Stocker, Sumi Shinoda, Eleanor Venstrom and Susanne Eubanks, to Diane Tibbs, the hat check chairman, and to our wonderful sponsor, Miss Nova Bartlett, for all have spent a great deal of time and effort on the Honor Society. They join me in thanking all of you for your splendid spirit and cooperation which has made this term the success it has been.

The past semester has been a successful one for the California Scholarship Federation. This can be attributed to the enthusiastic participation of our large membership in all of our term activities.

The boat trip on the bay, sponsored jointly with the Honor Society, and our semi-annual "Coke-Date" were the high points of the term. CSF members also attended the Regional Convention at Campbell, and showed the true spirit of our organization by helping handicapped students and by doing many other necessary tasks.

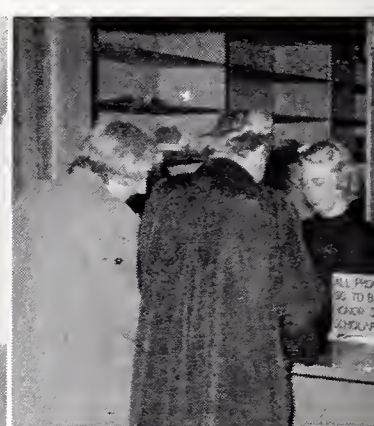

I am very grateful for all the help that I have received from Miss Bartlett, our sponsor. I would also like to thank the other officers, Zeva Shalmy and Nyna Miilu, for their cooperation in the running of the CSF.

It has been a great pleasure to be your president and to work with the many members of our organization.

SPEAKERS' BUREAU

"Service to School and Community" is the motto of the Berkeley High School Speakers' Bureau.

The bureau supplied speakers for the sales promotion of student body cards and the Pod; also speakers for assemblies and rallies.

In a panel discussion on youth problems, the bureau sent a teenage team to the Washington School P-TA.

Red Cross speakers were sent to P-TA meetings at other schools. Students participating were Phil Berry, Shirley Bilboa, Dick Brenner, Steve Copley, Dick Ferris, Frances Gaidos, Josie Hale, Jimmie Lee, Deanna O'Neal, Don Roberts, Nancy Varney, Bill Whitcomb, and Bill Woods.

Speakers at the Monthly American Legion meetings included Catherine Zitcer, Don Roberts, Nancy Varney, and Frances Gaidos.

The bureau sent its first television panel to the "Hi-Q" program of Station KPIX in San Francisco. The Berkeley High team was Phil Berry, John Cole, and William Lose.

In the annual spring public speaking contests the Speakers' Bureau sent Steve Copley and Phil Berry to take part in the American Legion Oratorical Contest. The Lions Club Contest had Nancy Varney and Frank Olsen speaking on "What the Constitution of the United States Means to Me." In the Native Sons of the Golden West Contest Frances Gaidos spoke on the Holy man of Santa Clara, "Father Magin Catala." The Knights of Pythias Contest found Don Roberts discussing "Courteous Motor Manners."

Members of the bureau this term: John Amos, Mary Barnes, Phil Berry, Shirley Balboa, Dick Brenner, Mina May Brown, Steve Castle, John Church, John Cole, Steve Copley, Joy Cox, Dick Ferris, Lorelda Fox, Frances Gaidos, Alice Garcia, Carol Hagihara, Josie Hale, Maureen Hoyt, Jin Joslin, Aileen Kahre, Helen Kouns, Donna Larnach, Jimmy Lee, Bill Lose, Sheilah MacLeod, Bob McFarland, Tom McManus, Jane Mills, Dave Neasham, Gordon Nordby, Frank Olsen, Deanna O'Neal, Lloyd Penn, Barbara Pierson, Skip Rhodes, Don Roberts, Earl Robinson, Gaby Rosenfeld, Karin Roy, Sarah Scott, Don Shields, William Stone, George Struble, Toni Sweet, Joan Thompson, Norman Tinkham, Dick Tompkins, Nancy Varney, Allen Wade, Dana Walker, Bill Whitcomb, William Woods, Catherine Zitcer.

ARTS

All Races and Creeds Make the BHS Music and Dramatic World One of Wonder.

BAND

The BHS Band has passed another successful term, participating in several school, local, and state affairs. Besides rehearsals during school time, there were rehearsals each Wednesday afternoon. These extra rehearsals were well attended and accomplished much which could not be done during the short daily rehearsals. Quite some time was spent in preparing for the graduation program and the Northern California Music Festival, held this year in San Francisco. The band also appeared in several school assemblies and the Junior Safety Review Parade. Officers this term were John Michaelis, President; Jim Farnsworth, Vice-President; Martha Lepawsky, Secretary-Treasurer; Robin Linnett, Social Secretary.

JOHN MICHAELIS
President

DANCE BAND

The BHS Dance Band has had a very successful term. With half of the group being unfamiliar with the playing of dance music at the beginning of the semester, the dance band has progressed rapidly. This term the dance band divided itself into two "combos," one specializing in Dixieland jazz and the other making "bop" music its specialty. The activities of the BHS Dance Band this term have been to play for assemblies. The members of the band include Jim Farnsworth and John Michaelis playing trumpet; Lou Gorham, Don Leonard, Bob Nemechek, and Wayne Smith at saxophone; John Cole, Al Wade, and Don Shields playing trombone; Phil Bisbiglia, singer; Terry Hilliard, string bass and guitar; Dan Kenady, drummer, and Bob Zurfluh, piano.

AL WADE
Secretary

A CAPPELLA CHOIR

The main activity of the A Cappella Choir this term has been preparing for the California State Music Educators' Festival, held at San Francisco State May 7. However, the choir has sung at a few concerts. In February we went to Marin Catholic High School, near San Rafael, where we sang, had lunch, and visited the school. We also sang at the Earl Lectures, which were broadcast over KRE. This term the Music Department put on a Spring Concert, at which A Cappella sang. The officers are: Vice-President, Roy Newman; Secretary, Buddy Bozonier; Treasurer, Nancy Bruce; Librarian, Helen Kouns; Robe Chairman, Margie Lindsay.

RANDOL HARRIMAN
President

ORCHESTRA

This spring the Berkeley High Orchestra has had an extremely active season. The activities in which we participated this term are "The Merry Widow," the Northern California Music Festival, the Spring Concert, and Graduation.

Our officers for this term have been Dick Adams, President; Don Shields, Vice-President; Eleanor Ventstrom, Social Chairman; Elaine Blum, Secretary-Treasurer, and Frances Gaidos, Librarian.

With the help of our new high-fidelity phonograph, built by Mr. Buettner, the orchestra has been able to hear and fully appreciate the music we have played.

Although there are now 45 members in the orchestra, the number is not restricted, and we hope that many more students will join next term.

THE MAN WHO CAME TO DINNER, by Kaufman and Hart

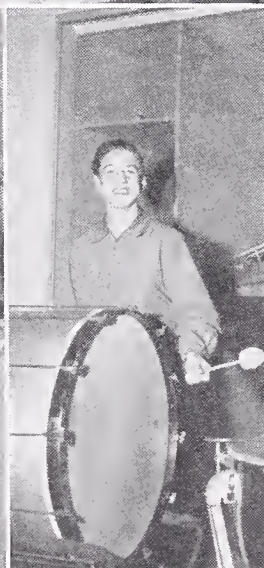

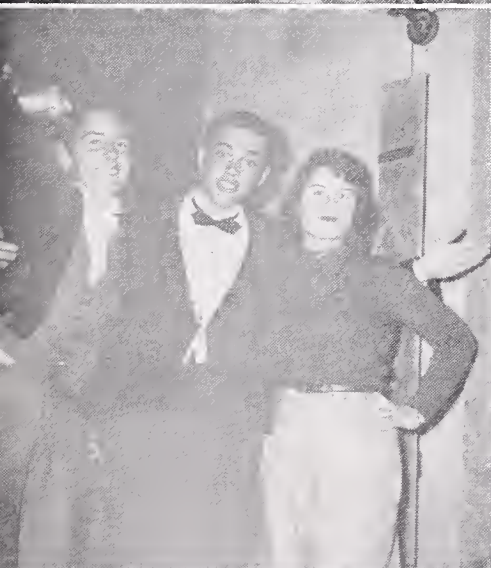

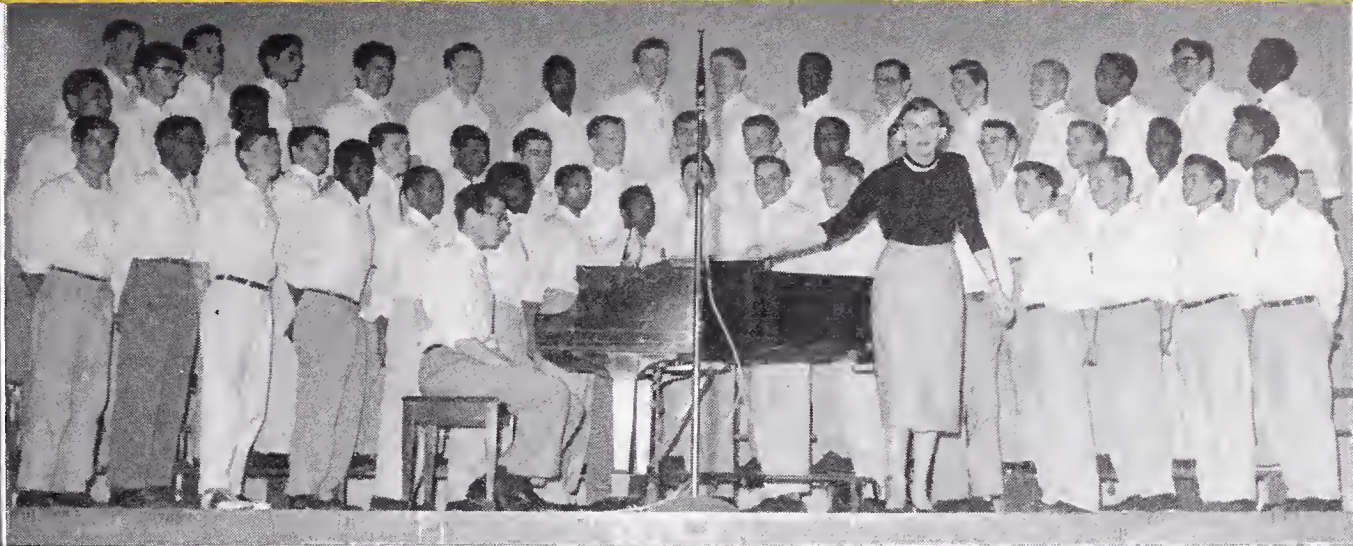

The plot of this hilarious comedy is relatively unimportant, but its brilliant, mirth-provoking dialogue and the portrait etched in acid of Sheridan Whiteside, raconteur, made it one of the outstanding hits of the New York stage in 1940.

BLOCK "B"

Our activities for this term included an initiation, potluck dinner, Gremlin week, a dance, and dinner. Money made from the Gremlin sale has been put into a scholarship fund. This was a new idea this term and I hope that it will be continued in future terms. The dinner, which was free to Block "B" members, was paid for out of the profit from our dance.

I have enjoyed very much both representing this society at Board of Control meetings and working with the Block "B" members on our various activities. Many thanks to all the Block "B" members for their help in making this term a successful one for the society. I would like to thank especially my officers, Robin Linnett, Bob Van Heuit, John Merchant, and Alan Hayashida, and our sponsor, Mr. Wilson, for their great cooperation and assistance.

CIRCLE "B" SOCIETY

The Circle "B" Society, like most boys' athletic societies in the spring term, has been a little inactive. I think this is mainly due to the fact that nearly every Circle "B" man is out for some spring sport.

This being my last year, I would like to express my thanks to all the fellows who have been so cooperative and helpful in making the Circle "B" function smoothly. We, the members of the Circle "B," would like to thank Mr. McFarland and Mr. Erickson, without whose help we couldn't have accomplished anything.

BASEBALL

At the completion of the first round of ACAL play, it looked as if Richmond had all but cinched the pennant as they had come through with an unmarred record. But in the second round the Berkeley High baseballers came back to upset the Oilers and thus pose a major threat for the top rung of the league standings. The Jacket pitching staff was the uncertain spot of Coach George Wilson's team, but thanks to pitchers such as Rocci Giordano, Louis Gorham, Jerry Christie, Lance Renner and Ed Kelley, the horse-hiders of Biedenbach Field were able to down some excellent ball clubs. Midway through the season, the Jackets lost the services of their superb shortstop, Bill Soto. Game after game, it was the booming bats of Earl Robinson, Pete Domoto, Bennie Walker, and Charlie Fields that provided the needed runs to keep them up there contending for the championship.

SPRING SPORTS

From the desk of the Pod Sports Editor, as this annual goes to press, comes a brief and inconclusive report of 1954 spring sports at BHS. Fine sports stars have participated in all events and prospects look good both for this spring and next.

Varsity and Junior Varsity basketball both saw successful seasons, with the Varsity winning third place in the ACAL.

Tennis and golf show great promise. Track is exceedingly good. The baseball team is doing a great job, and has provided some upsets. The mermen continue to keep up the BHS reputation and records.

TENNIS

After winning the ACAL Tennis championship for nine straight years, the Berkeley High Tennis team ended the season sharing the top spot with their arch rivals, the Piedmont Highlanders. After beating the Piedmont team in the first round of play, the Jackets finally succumbed to the Highlanders in the second round and thus ended Berkeley's domination of the league. This season was the last for retiring Coach Jack Eadie. While here, he compiled a record that will undoubtedly stand for a long time. In his eleven years of coaching, he won the championship nine times and tied for the top spot once. Top stars for the BHS team this year were Bill Vaughn, Al Chandler, Paul Fitzgibbons, Mike Herb, and Tom McManus.

GOLF

The golf linksters, with Mr. Elgin Erickson as coach, showed a great deal of ambition this year. By the coach and team working hard together they showed a great deal of courage and effort. Although they lost to El Cerrito at Mira Vista at the opening of the season, they were expected to do better as they meet their other opponents later on in the Alameda County Athletic League. Although there are no graduating lettermen, the team is to be commended on the great sportsmanship they have shown thus far.

VARSITY TRACK

The Berkeley High thinmen, paced by Johnny Merchant, Henry Dorsey and Bobby Page, were doing a commendable job when the Pod went to press. Johnny Merchant was one of the best hurdlers and broadjumpers in the league, while Dorsey could always be counted on to garner a few points in the 880. This year's squad was lacking in needed depth and strength. In some meets Berkeley would grab enough firsts, but they couldn't get those second and third place points which decided many a meet.

BEE TRACK

Coach Hacker's Bee trackmen fared much better than their big brothers as they had both depth and strength in practically every event. With Otis McDonald, Ed Wiley, Herman Pecot and Thurman Ward showing the way, the Bees won practically all of their meets. Their 440 relay team composed of McDonald, Wiley, Ward and Rudy Johnson was one of the best in the ACAL. The Pod went to press before the ACAL meet was held but Berkeley Bees won second place.

VARSITY SWIMMING

With several excellent individual stars picking up most of the points, the Berkeley High Swim team was expected to gain second place behind last year's champions, the Hayward Farmers, due to a lack of reserve strength. This year was mainly a rebuilding one for Coach Frank Gross, but the mermen improved as the season rolled along and ended up with the final record showing more wins than losses. Included in this record was a victory over the North Coast champions, the Sequoia Cherokees. Main point getters for the swim team were Tom Myles, Mike Lepawsky and Bob Chiappone. These stars were expected to place very well in ACAL finals and go on to perform in the North Coast meet.

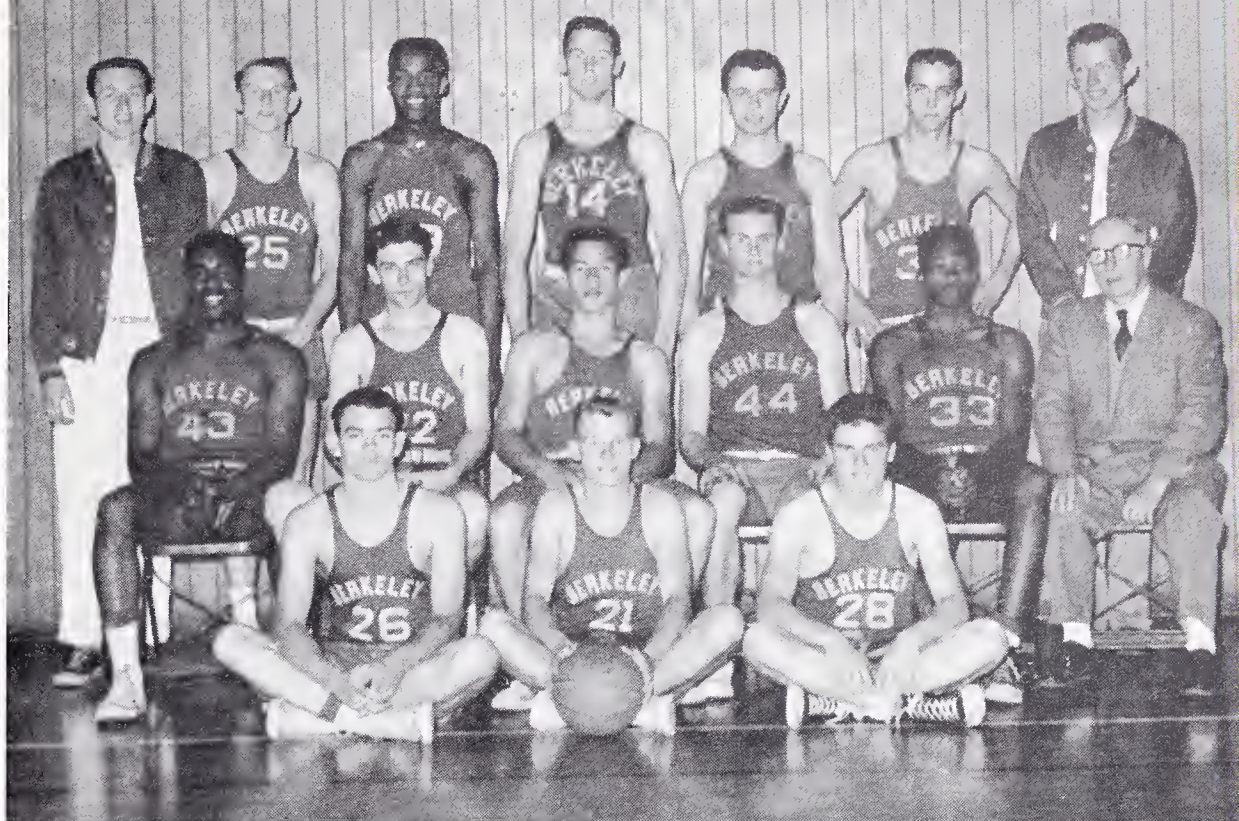

"B" SWIMMING

With only two returning men from last year's squad, the BHS Bee Swim team had to work hard all season to gain the experience which they so badly needed. The junior Jacket mermen showed great improvement as they gained more and more points against their opponents as the season progressed. With many seniors graduating from the varsity team this year, it will be these boys who will be taking their places. It will be such swimmers as Greg Zool and John Miilu in the freestyle events; Jim Smith in the backstroke races, and Ken Laidlaw in the breast stroke and the individual medley events that will make up an excellent team that Berkeley High can look forward to next season.

BASKETBALL

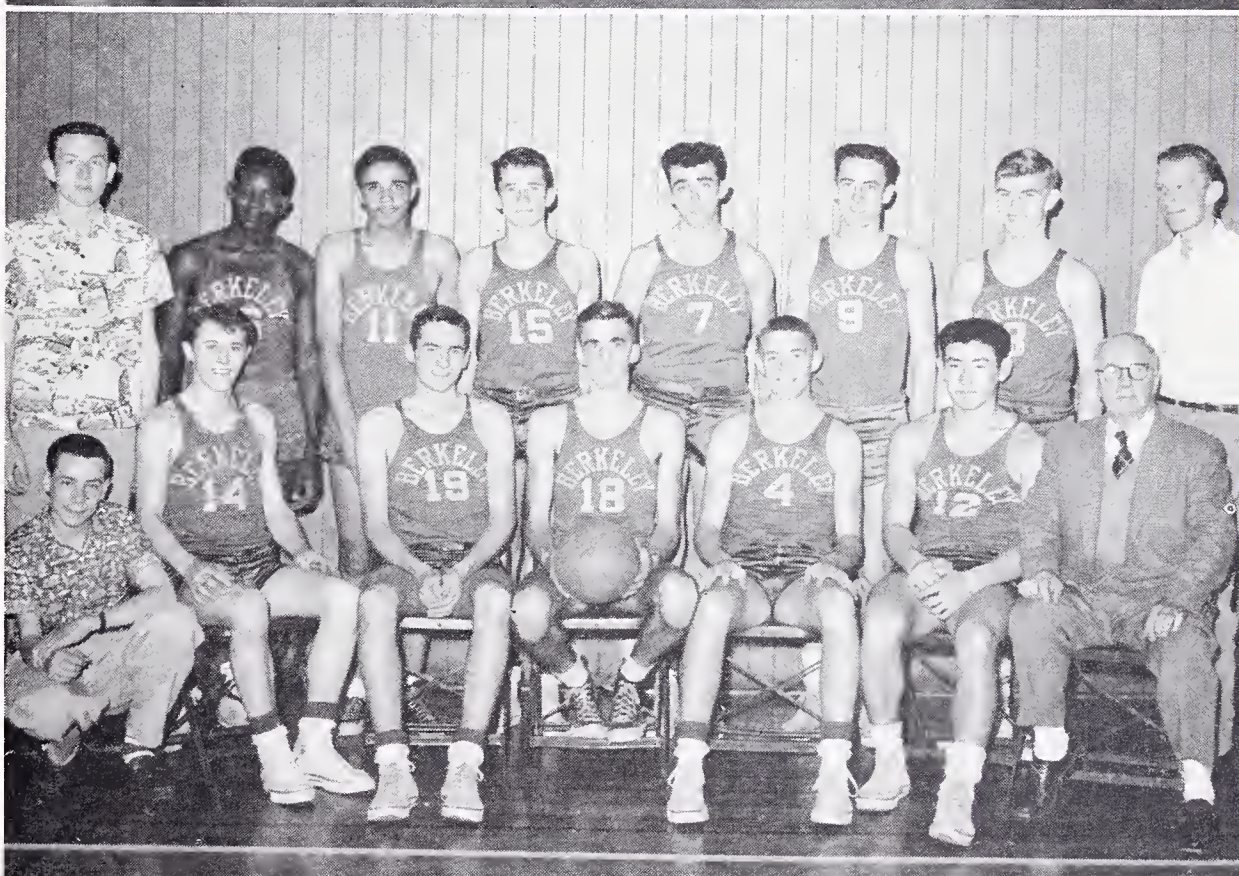

VARSITY

Earl Robinson, Jim McKnight, Charlie Lewis, Bud Bozonier and Jerry Tolmie made up Coach Jack Eadie's starting lineup this past basketball season. Although they didn't win the ACAL championship, they were still champions as they journeyed to Gridley and walked off with the Gridley Invitational championship. Paced by Earl Robinson, who made All-CAL, and Jerry Tolmie, second string All-ACAL, the Jacket casabamen were almost the spoilers of the league. They lost to the champion Hornets in the last 86 seconds, and almost toppled mighty Richmond.

JAYVEE

Paced by Russ Fuller and Bob Boldt the Berkeley JayVee basketballers dribbled and shot their way to a successful ACAL campaign. The JayVees missed an undefeated season by two games. Both losses were handed them by the champion Richmond Oilers. Other than that Coach Eadie's team was on the ball. With Russ Fuller, Jerry Hecht, Bill Hayes, Bob Boldt and Bill White rounding out the first string, Berkeley's new cage coach can look forward to some good varsity material for the coming season.

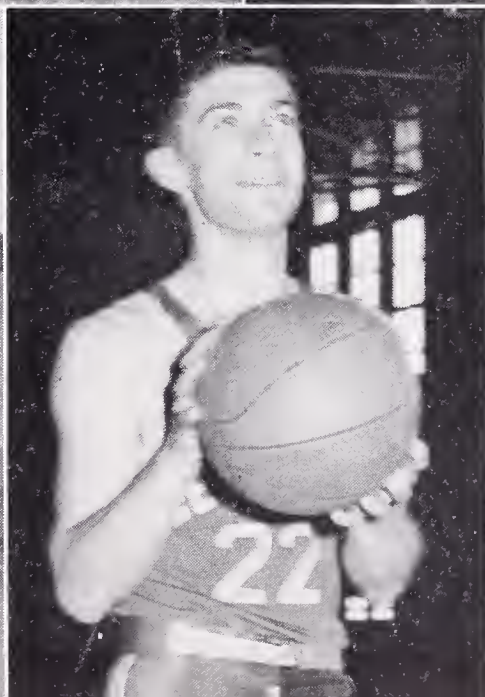

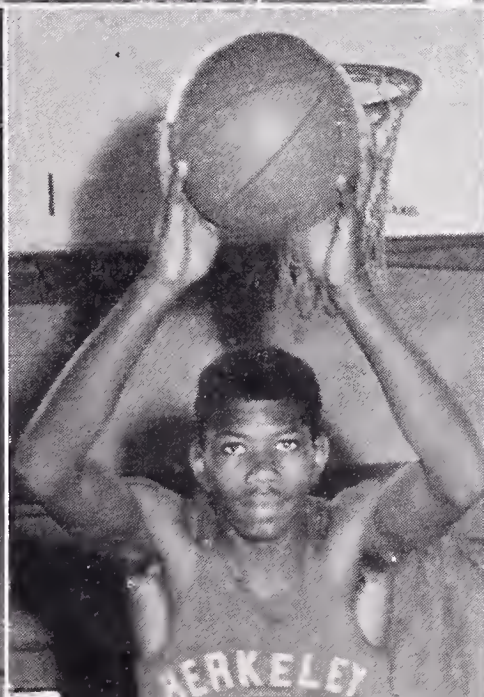

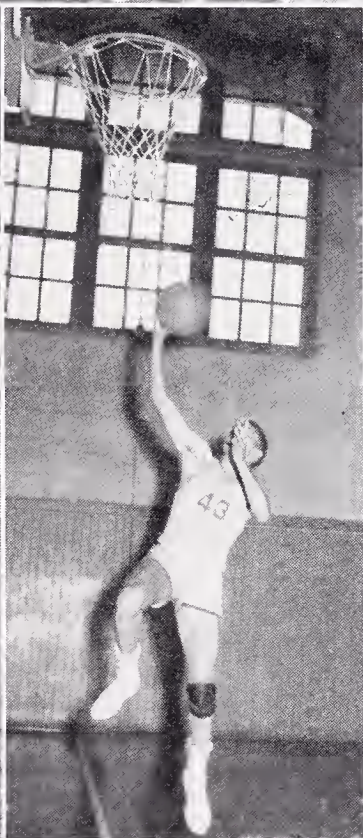

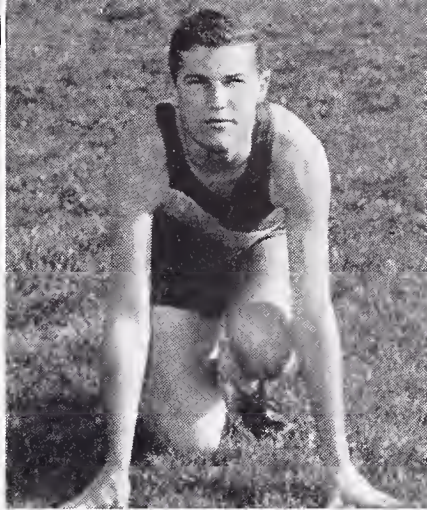

BEE

The "Hard Luck Kids" of the ACAL: That's what this year's Bee Basketball team was often called. Although they had a good strong team on paper, the Jackets couldn't get going in the league contests. With Thurman Ward and Bob Catley showing the way the Bees had many a narrow squeek. Although the season wasn't a bang-up success, the fellows did a commendable job. Most of the time Coach Erick depended on the following line-up: Ed Samuels, Fritz Stern, Ward Catley and Warren Richardson.

GAA

The Girls' Athletic Association has been very active this semester. Many girls participated in the after-school sports program which included Recreational Swim, Tennis, Sinkers, Dance, Badminton, Recreational Sports, and Swim Clubs. Five girls attended the High School Sports Day at Cal and had a wonderful time.

The Dance Club, with the help of Mrs. Sparks, deserves many thanks for its outstanding performance in "The Merry Widow."

On March 19, the GAA had a very successful slumber party. The evening's activities included sports, swimming, and folk dancing. It was something new and different and everyone had a grand time. At the end of the term, a dinner was held at which the new officers were introduced. All the girls participated in different sports.

I would like to express my thanks to the other officers: Dorothea Chung, Vice-President; Loretta Mayer and Makiko Shinoda, Secretaries; Pat Graham, Treasurer, and to Mrs. McClenaghan, our faculty advisor. Also many thanks go to the rest of the council, to the club sponsors, and to all the other girls in the GAA, without whose help and cooperation this semester could not have been a success. I consider it a great honor to have served as president of a group as fine as the GAA. This has been a wonderful experience and memorable semester.
